OF THE BRICK?**

## WHY THE BRICK?

If you are looking to hold an event at a unique location offering a selection of over 90 beers (60 craft on tap) with delicious food to match, the Brick Anchor Brew-House in downtown Norfolk might be the place for you. We have three floor levels which can accommodate groups of all sizes, each with their own look and feel.

## 2ND FLOOR TASTING ROOM

Our well-appointed Tasting Room offers a private area for special occasions. Holding up to 76 guests, it has a separate entrance and elevator access, no through-traffic, its own 10-tap bar and bathroom facilities. It also has piped-in music, a projector and pull-down screen. This space is ideal for socials, meetings, parties, dinners and military events.

## MEZZANINE/LOUNGE

Accommodating up to 29 guests and ideal for socializing, our Mezzanine offers a bird's-eye view of the Main floor and also a more intimate and relaxing experience in an adjoining lounge.

## MAIN FLOOR

Our traditional Main/First floor has a capacity of 111 and is our welcoming core. It impresses guests with our wide selection of beer and unequalled interior designing.
