IBU: International Bitterness Unit (in short, the acidity in hops; the higher the IBU, the more bitter the beer is (note: IPAs generally have higher IBUs compared to Lagers/lighter beer. Please note that some Breweries do not list their IBUs).

We hope you have a memorable experience with us. That does NOT mean overconsuming alcohol. As we want you to return home safely, we strongly encourage you to use a designated driver, taxi, or Uber/Lyft.
